3. If you Deferred, you will be issued a Deferral code that can be used in the eligible events as determined by the Event Organizer. Any necessary payment due must be paid before the code is generated.

Your Deferral Code will be posted in a few places for reference:

- The code will be displayed in the deferral window directly after payment.

- It will also be listed within the Deferral Confirmation Email you will receive after payment.

- The Deferral Code will be posted under the Coupons section in your profile, along with its Value and a link to view eligible events that the code can be used for.
